Seniors Final Plans	Pages 124

Here are a few facts you might not have known about the Millbury Memorial High School Yearbook "AFTERMATH" For the past four years, the yearbook has been produced in it's entirety on a Macintosh computer using Adobe PageMaker which is an advanced word processing layout program. The yearbook is produced with one hundred and twenty four pages with a minimum order of one hundred and seventy five books. Herff Jones Yearbook Publishing company of Pennsylvania produces our book at a cost of approximately \$9,500.00. We generally raise approximately \$2,500.00 in ad revenues, with the remaining \$7,000.00 coming from the sale of the yearbook and class funds.

We thank all of our many financial supporters as well as all the many unsung hero's and heroine's who have kept this yearbook the success that is has been over the past seventy seven years.

Erin Dromgoole

What member of Millbury High School can say that she has been featured on Channel 5 News as the "High Five" athlete of the week? Which student at M.H.S. can say she was interviewed on ESPN two years in a row after being flown to San Diego? And which M.H.S. student-athlete does not have to fantasize about being the Wendy's Heisman Trophy Winner? The Class of 1997 doesn't need to guess, we all know who that person is!

Probably not a week goes by when we don't open up the sports page to a headline about Erin Dromgoole's accomplishments. Since "Drom" won the Cross Country S.W.C.L. Championship in the "8th" grade, she has pushed herself to excel so that she may face tougher competition...and win. Erin has a long list of running achievements, a fact which can be seen in all the awards covering her walls at home. She

is our District and State Cross Country Champion, she holds all of the league's cross country course records; she qualified twice to run in the Foot Locker National Cross Country Championships in San Diego where she became a two time All American...needless to say, Erin has brought extraordinary recognition to herself, her class, and to Millbury High School through all her incredible accomplishments.

But don't let Erin's outstanding athletic ability blind you to her other attributes. Not only is she the valedictorian of the Class of 1997, she is President of the Nation Honor Society as well. Erin is the type of person who will take time to explain last night's homework, volunteer to run the concession stand during football games, or help plan the Senior Supper she's the type of person everyone can count on.

No matter what road in life Erin chooses, we know she will succeed in achieving her goals. Regardless of what the future may hold, the Class of 1997 will always be behind her 100%. We want her to know how proud we are of what she has done, and of what she will continue to do in the future. Congratulations Erin!

-by Audra Kenary and Wendy Magnuson

To all my friends and especially to the Class of 1997

People always tell me they're amazed by what I have done, but if they knew the incredible people I am surrounded by each and every day I know they wouldn't be surprised at all. All the support I have received, even from the most un-likeliest of sources, has helped me immeasurably. Thank you for always being there for me and for being the great people you all are...in your own unique ways, of course! And congratulations to the Class of 1997 for finally "making it" !!

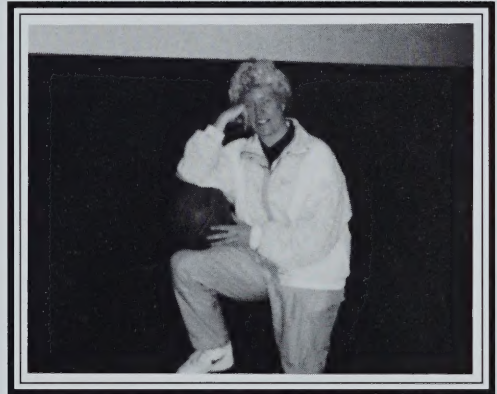

Erin Dromgoole

AS THE YEARS WENT BY....

We have been through thick and thin, the good the bad, and through it all we've made it together. As we step up onto the platform graduation day and receive our diplomas we are leaving a world behind us, a world we once knew. Now as we step down the stairs we are entering a new beginning. No longer will we hear bell's ringing to signal the beginning and the end of another class, or the voice of Dr. Mills for the afternoon announcements.

For most of us we have been together since kindergarten, through recess and the RIF in Elementary school, to swinging on the monkey bars and attending the infamous roller skating parties at Shaw. We ended our Junior High years with our class trip to Canobe Lake Park. As freshmen we cheered for the football team while they were making their way to win the SuperBowl. When we were sophomores we received the long awaited class rings at the Sophomore Ring Dance. That same year we became the victorious over all classes, and won Winter Carnival. Junior year proved to be equally important in our high school year, more than half of the class attended the Junior Prom. Finally our Senior year brought many hassles as well as joy. We united the school with the first ever Winter Ball, which proved to be a success. Again we took first place in Winter Carnival, showing our true colors (purple).

Now as we leave Millbury High School we are going our own ways, into our own separate lives. We will leave behind a part of us that can never be thrown away or forgotten. Whether it is the memory of a game where a fellow classmate scored the winning point, or a recollection of a good time you had with a friend. Throughout the years we have learned many things, and created many friendships that will last our whole lives through. When we leave MHS we may never see the faces that we became so familiar and friendly with again but no one can ever erase the memories we all hold in our hearts.

Varsity Cheerleading

The 1996 Varsity Football Cheerleaders were lead by captains Laurie Gagne, Kelly Hobin, Kelley Sarsfield, Kristi Gustafson, and Jana Morse. Throughout the season the cheerleaders worked hard to boost school spirit. They travelled to away games with the Football players and also cheered at home games.

The Cheerleaders were a part of the Thanksgiving Day festivities and the lighting of our new athletic field.

In preparation for football season the varsity cheerleaders attended a four day camp over the summer. The girls learned new dances, cheers, chants, and stunts. This season the squad was faced with many hardships. Many people were injured and / or sick. They managed to stick together and rely on teamwork to finish the season successful.

David Prouty	0-1	L
Uxbridge	2-2	T
Grafton	0-3	L

The 1996 boys varsity soccer team made the districts for the first time since 1988. This was a vast improvement over the previous year. The team was lead by the leadership of captains Nick Nason and Tim Ullman. Adam Gawronski played the entire year in goal while Joe Yaskis held the defense together with the help of Matt Millett. Matt Heenan had a great year offensively and Mike Capurso helped contribute with the scoring. Matt Heenan and Adam Gawronski were named SWCL All-Stars. Matt was also named a Central Mass All-Star. We hopefully showed the way so next year's team will improve by not just making the districts, but by going further into the tournament.

The phrase "it's not whether you win or lose, but how you play the game" would most accurately describe the 1996 Millbury Girl's Varsity Soccer Team. Although the record didn't show it, the effort and determination the girls put into every game was phenomenal. With the leadership and guidance of our coach Steve Sudar, we never forgot why we were out there, to play hard and have fun. Though plagued by injuries and conflict, our team still managed to come together and finished out the season with pride. From the six graduating Seniors, we wish the upcoming team good luck!

The Millbury Girls Varsity Volleyball Team ended their triumphant 1996 season with a record of 12 wins and 6 losses. They also played in the second consecutive district game. This years seniors included captain Mary Corridori and Katie Comeau.

Kim Prior and Nicole Ebert led the team in aces, while Kim Prior and Mary Corridori led the team in blocks and kills. Overall, the team had excellent serving, including jump serves, exciting play at the net, and highly competitive matches.

This years seniors would like to wish more "rock and dit" seasons and the best of luck to future players.

"Victory." Following tradition, the Millbury girls were once again no strangers to this idea! Recognized early on as a force to be reckoned with in Central Mass, Millbury lived up to its reputation - as both a strong and fun-loving team. The girls success included an undefeated season 10-0 league record and unprecedented sixth straight SWCL Championship. The character and depth of the team showed as the girls were able to revenge an opening loss to Westborough by a large margin. Outside of the league the girls came together to finish 4th at the Nashoba Invitational and at the Central Mass Championships.

Senior captains Erin Dromgoole, Wendy Magnuson and Adrienne Shields provided the leadership for this year's team. Barbara Young and Suzanne Day ran consistently all season, while the "pack attack" of Kadie Crowley, Joanna Grigas, Melissa Mathews, and Alice Cook gave the team the depth it needed to compete against larger schools. Erin Dromgoole was on a roll, winning her second straight state championship and earning All-American status as a result of her 10th place finish at the National Championships in San Diego. While small in numbers, this year's team was big in spirit, and success will likely continue next year.

Grafton	30-29	L

Despite being a young team with no upperclassmen, the 1996 boys cross country team showed marked improvement over last year's squad. Led by sophomore Jay Huchowski and eighth-grader Sean McKeon, the boys were able to pull together and be competitive in the Southern Worcester County League. Jay and Sean broke into the top ten at the League meet, pulling the rest of the team to new personal best. Over the course of the season, Bob McDonald lowered his time on Millbury's home course by over six minutes(!), while Mike Orrel and Justin Bennes used their experience to help the team. For the first time ever, the boys team competed in the Wachusett Invitational, an experience which helped them prepare for the District meet. McKeon became the first Millbury boy in recent history to qualify for the state meet after finishing 18th at the Central Mass Championships. This year's team worked extremely hard, and if the improvement they showed continues, the Millbury boys should soon appear at the top of the SWCL standings.

Northbridge	7-35	L

The 1996 version of the Millbury Woolies Football squad was led by captains #33 Travis Perry, #66 Rob Eisnor, and #16 Eric LaForte. Great leadership exhibited by the team's 13 seniors helped the Woolies improve throughout the season. The misleading 1 - 10 record put a cloud over the inaugural season of head coach Tom McKenney, who took over the reigns after the departure of the much loved (and missed) Norm Gonyea. Despite winning only one game the Woolies had a chance to win almost every contest they entered into, which is amazing considering at the end of the season the team consisted of only 19 players who were still in playing condition. The team produced two S.W.C.L all-stars. Running back/conner back Eric "Hollywood" LaForte, and John "the Spanish Diesel" Caron, although many others deserved this recognition for their tremendous effort, I would personally like to thank Chris Martin, Woody (Russell) Carlson, Travis Perry, and Rob Eisnor for making my last year of football a great one, and wish next years seniors John Caron and multi-talented Quarterback Andy Marbel, and all the coaches good luck next season, which is looking brighter with the addition of Sutton players to the roster.

Varsity Basketball Cheerleading

The Varsity Cheerleaders proved this year that they are not just a bunch of girls jumping around in skirts. To the contrary they displayed a great deal of athletic ability which was the result of many our of conditioning and practices. Their routines throughout the entire season were sharp imaginative and very entertaining.

The yearbook staff is very pleased that the Cheerleading squads are now an official part of the athletic departments budget and as such, will enjoy ongoing coverage in both fall and winter sports sections. Great Job !

Oxford	48-27	L
Northbridge	55-38	W

Throughout the season, The Millbury Girl's basketball team had many obstacles to overcome. The team did enjoy an occasional victory here and there, but nothing close to what was expected. What was thought to be a "failure" season, came to a close with a victory of Northbridge high. Junior Shannon Fitzgerald, and seniors Mary Corridori and Jill Morin, were the captains of the team. Shannon Fitzgerald and Kim Prior were the teams' high scorers along with Kim Prior breaking Millbury's record of "three pointers" in one year! Other juniors on the team were Suzanne Day, Colleen Crowley, and Michelle Desroisers. Further contributing to the team were sophomores Sarah Nason and Gina Regaini along with freshman Noel Ebert and Debbie Mullen. Great job by all!!

The 1996 - 97 boy's varsity basketball team compiled a 8 - 9 record. This does not reflect the determination or effort that was put forth every night. The team was lead by Captains and SWCL All-stars Tim Ullman and Junior Adam Gawronski. Matt Heenan played good defense on the opposing star players. Tim Greiner provided a spark with his intensity whenever it was needed. Matt Millett proved an inspiration for never giving up. This could be called a rebuilding year or a confidence gainer year, where everyone matured every game and it will show up next year.

BOYS VARSITY BASKETBALL

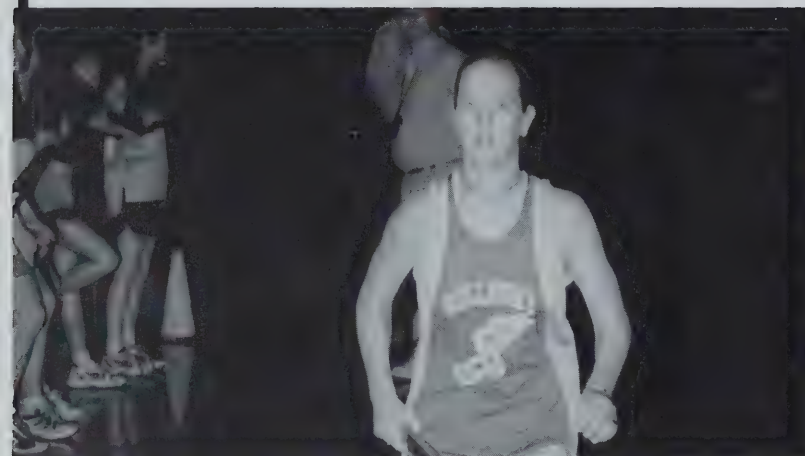

GIRLS

INDOOR TRACK

Indoor track had an excellent year in "96-97" as both the girls and boys teams proved to be very competitive within Central Mass. The boys were helped to a winning record by a well-rounded roster, senior Mike Capurso and P.J. McQuade ran the hurdles, while Jay Huchowski and Sean McKeon handled the distance events. Senior Alex Rajotte competed well in the shot put, earning 6th place at the league meet. Mike Capurso worked hard to represent the boys team well at the District, State Class, and All-State meets.

The girls indoor team also had a successful year, backing up

BOYS

INDOOR TRACK

their victories with many personal bests throughout the season. Senior Erin Dromgoole Wendy Magnuson, Adrienne Shields, and Shannnon Stockwell lead this team which should have a great future. Erin and Adrienne represented MHS at the State Class Meet. Where they finished 1-2 in the two mile, along with Wendy Magnuson and Alexis Woodward, who competed in the hurdles.

Erin and Adrienne went onto compete in the All-State meet, where Adrienne Shields set an all time best and Erin qualified to compete at the New England, where she finished 2nd. Congratulations to both teams for an outstanding year and a promising future!

*Maynard	6 - 3	L

The 1997 Varsity baseball team had yet another winning season under coach Stepien, and assistant coach Norm Gonya, and Brian Remo. With an over all record of 14 wins and only 5 loses, the team qualified for district play for the sixth time in the past seven seasons under coach Stepien.

Outstanding Seniors who lead the team to a post season win against Clinton (6 - 5) and a well fought loss to Maynard (6 - 3) were Nick Nason, Matt Heenan, Joe Yaskas, Keith Corey, John Comier and Tom Williams.

Next years star players should include John Carron, this years SWCL batting champ and the batting champ runner up Ryan Joyce.

This years girls Varsity Softball Team was once again an over all winner. Under the capable hands of head coach Dennis Leonard and assistant Steve Dupras, the team once again qualified for district play with a 13 and 7 over all record. Losing a heartbreaking (6 - 5) loss to SWCL foes West Boylston in the second round of the district playoff's.

This years team was led by seniors Mary Corridori, Kim Hill, Erin Ryan, and Audra Kenary. Next years team promises to be one of the strongest teams to come along in recent history. The team will be led by senior pitcher Kim Prior, seniors Kadie and Colleen Crowley, Shannon Fitzgerald, Jess Jakubiak, and Michelle Derosierrs. Good Luck to the departing seniors, and next years team.

Bay Path	5 - 4	W

This years Varsity Co-Ed Golf team is a perfect example of wins and loses not necessarily being a reflection of the teams over all spirit or courage. First of all the team numbered 24 strong. However only two players were seniors, (Jeff Koslowski, and Hippolito Rivera). The team had one Junior (Gary DeAdder), the rest of the team consisted of four ninth graders , ten eighth graders and two seventh graders. Jana Pojini was the sole female student representative.

Needless to say, the team learned a lot during the season that included two wins, one tie and 15 losses. We look forward to seeing the team mature into a contending power in the SWCL.

Erin Dromgoole All-time leading point scorer for Spring Track & Field - 747 Pts

This year's girls spring track team was one of the best Millbury High has had in recent history. A well-balanced team allowed the girls to finish the season with only one loss. Six senior captains provided leadership in all areas: Wendy Magnuson, Amanda Lirange, and Shannon Stockwell in the hurdles, Erin Dore and Erin Dromgoole in the middle distance races, and Adrienne Shields in the distance events. The underclassmen did not go unnoticed, however, as they were a vital part of the team's success. Sarah Nason and Kaitlin Moriarty led the team in the sprints. Regina Rochefort continually set personal best in the discus and shot put, and Alexis Woodward was a high scorer in the long and high jumps.

All of the girls helped in the high point of the season: a first time win over Grafton since the graduating Class of 1997 has been at Millbury High School. Won by only four points, this meet defined the team's season and showed that the Millbury girls were a top competitor in the SWCL, and beyond. M.H.S. sent a large contingent of girls to the District Meet and came away successfully, as all 10 competitors were awarded medals. Erin Dromgoole capped off an amazing career by setting school records in the mile, 880, and career point total. She finished third in the State and New England meets in the 880 with the support of all her teammates.

Northbridge	49 - 87	L
David Prouty	47 - 89	L
Oxford	69 - 67	W

This years Boys Varsity Track Team was ably coached by alumni Barry Bacon, with help from assistant Tim Francke. The team was led by Seniors Mike Capurso, Alex Rejotte, Matt Millett and Dave Lavallee. The highlight of the year came when Mike Capurso placed in the top ten in the State Meet running 110 hurdles. Sean Mckeen shinned in the distance events. As usual, the team did well in mile relay's and 4 X 110 events.

Next years team will feature seniors, Mike Briddon, Juniors Jay Huchowski, Mike Vigneau, Travis Williams and Mike Markey.

A NOTE FROM THE ADVISOR

The Underclassmen Section is perhaps the most difficult to put together in the entire Yearbook. This section would not have been possible without the strong dedication and diligence of Maura McCarthy and Kristin Gosselin. Great Job! Well Done!
